Student Council

Student Council is a great way for students to become positive, caring and strong leaders at Orefield Middle School. Students who are involved are described as those who help others and want to make Orefield the best school around. At meetings, the members of Student Council discuss and create exciting activities for students and community members that generate money for the school and people in need. Last year, the "OMS Got Talent" show was a success that helped raise money for services that help army veterans. If you are interested in joining, please attend the Student Council meeting **TODAY** during Period X in the Cafeteria.
